

HEALTH & HYGIENE DROPBOX

FILL THE BOX

The annual **Health & Hygiene Drive** is a safety net initiative of United Way of 1000 Lakes. The program helps families with everyday essentials like toothpaste, soap, and laundry detergent. Access to such items allows families to maintain good health and build self-esteem, stretch their wages to meet other needs - supporting their upward mobility.

To learn more, including ways to get involved, visit uwlakes.org/hygiene-drive.
